Location

Florence Springs is located in the beautiful countryside of Pembrokeshire, on the outskirts of the seaside resort of Tenby and the famous Pembrokeshire Coast National Parks. The lodge park enjoys fantastic views of the natural rural setting, with a number of lakes and a golf course providing a lovely backdrop to the beautifully manicured site. The park offers the perfect holiday home location; on an award winning family run park, with low site fees & unrivalled luxury lodges within South West Wales.

About Us

Florence Springs is part of Heatherton CS Park Ltd & was created in 2015 by the Davies family who are local to Pembrokeshire. The lodge park is part of a diversification & development plan to improve and enhance the local area, by providing luxury accommodation with quality & nature at heart.
